## Objective

Seeking employment with a company where I will be able to apply my expertise to promote team building, improve daily operations & help increase overall productivity.

## Experience

### Payless Shoes Source

#### *Store Manager*

**2005-2013**

As a manager at Payless Shoe Source my responsibilities included visual merchandising and promotions, loss prevention, store operations, retail sales, inventory control, cashiering, interview & hiring process, training, payroll and customer service.

#### *Assistant Manager*

**2001-2005**

Under the Managers supervision I performed tasks such as scheduling, returns, inventory, and all aspects of customer service

#### *Sales Associate*

**1999-2001**

As a sales associate I provided customers the assistances needed while they shopped. I introduced customers to our new products and enforced great customer service and satisfaction.

### Karen Sweaters

**1992-1999**

- At Karen Sweaters I worked as a machines operator. I worked in all aspects of textiles. Including label, crochet and sample maker
